

Dear parents & goaltenders,

We are excited to announce that we will be hosting our annual spring clinics once again at North Shore ice arena. We will have four different time slots which we will list the date and times below. The first two hours will be for our younger goaltenders and the second two hours will be geared towards our older goaltenders. The dates and times will be listed below. We ask that if you are interested in signing up that you contact us immediately and we will reserve your spot for the 8 sessions. The cost for all 8 sessions is \$800. If you cannot make a session we will do our best to fill the spot with enough notice. The clinic will be structured with small groups 3 kids per group in the younger sessions and 2 kids per group in the later sessions. There will be 3 goalie coaches on the ice to ensure your kid gets as much private attention as possible. We hope everyone is having an outstanding season and look forward to helping this spring be a productive one for your son or daughter! Dates and time listed below:
