

Due to our camps selling out so early this year we have decided to add in some additional training for our goaltenders that have missed out on the camp. Myself, Zach Drane and Eric Brags will be running weekly summer training clinics at All seasons Ice arena in Aurora. These clinics will be run similar to our camp and will offer training in the following areas: puck-handling, skating, techniques, flexibility, game situations, footwork, tracking, post coverage, just to name a few. We will have two clinics each week one geared towards are younger goalie and another geared towards are older goalies.

There are limited spots available as we will only be taking 6 goalies in each session. The cost is \$100 per clinic. You do not have to sign up for all the clinics. You can pick which ever dates work best for you. Each clinic is 1 hour and cost \$100 a clinic. Payment can be made by check or cash, checks need to be made out to Gould Goalie School. We will need payment before the sessions begin to secure a spot.
